Beware of Ointments for Catarrh That Contain Mercury as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. THE BEST LAXATIVE

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water half an hour before breakfast and eat an abundance of fruit and vegetables, also establish a regular habit and be sure that your bowels move once each day. When a medicine is needed take Chamberlain's Tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.—Adv. d&w

Promotion in the Navy.

Evidently the United States navy is not the only one which is troubled by the problem of promotion in relation to age; for we are informed that the French officers are older, than in any other navy. Vice-admirals being, of an average, appointed at the age of sixty-one, as against fifty-two in England; rear-admirals at fifty-six as against forty-seven in England, and the French captains and commanders being as a rule older than British flag officers. Under the new schemes, the age limits are to be brought down approximately to what they are in England.

CURE FOR CHOLERA MORBUS

"When our little boy, now seven years old, was a baby, he was cured of cholera morbus by Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Mrs. Sidney Simmons, Fair Haven, N. Y. "Since then, other members of my family have used this valuable medicine for colic and bowel troubles with good satisfaction and I gladly endorse it as a remedy of exceptional merit." Obtainable everywhere.—Adv. d&w

Breaths Radium Emanation.

The emanatorium is the very latest thing in radium treatment. It is a room the air of which is charged with radium emanation and in which a patient remains for two or three hours at a time. It has been found that the radium emanation when thus breathed makes its way into the circulation and reaches all tissues.

LIVER TROUBLE.

"I am bothered with liver trouble about twice a year," writes Joe Dingman, Webster City, Iowa. "I have pains in my side and back and an awful soreness in my stomach." Heard of Chamberlain's Tablets and tried them. By the time I had used half a bottle of them I was feeling fine and had no signs of pain." Obtainable everywhere.—Adv. d&w
